

Retail, Franchise & Consumer Products

Franchise systems, direct selling organizations, consumer goods companies, and national retailers.

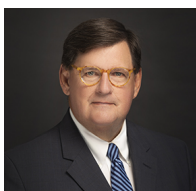

Friday, Eldredge & Clark's lawyers have represented a variety of wholesale and retail industry clients in transactions and litigation including class action litigation. Clients turn to us for seasoned counsel and vigorous advocacy coupled with a strong client focus. Wholesale and retail clients get our undivided, client-focused attention coupled with a strong background in the industry sectors.

Friday, Eldredge & Clark lawyers represent a broad range of wholesale and retail clients, including beverage bottlers and distributors, food and consumer goods wholesalers, department and specialty stores, convenience stores and gas stations, and home improvement and building materials companies. The firm provides comprehensive legal services across environmental, employee benefits, employment litigation, labor and employment compliance, and employee discrimination matters, as well as commercial litigation, personal injury litigation, business torts, and contract disputes. Its multidisciplinary approach also includes counsel on EEOC investigations, covenants not to compete, real estate, mergers and acquisitions, financial and commercial transactions, equity financing, partnerships, joint ventures, land use, brokerage and management agreements, and federal, state, and local tax issues, delivering practical, integrated solutions tailored to the wholesale and retail industry.
